- ***Before leaving see how many furs you can identify and pick up free trapping magazines and literature at the front desk!***
- ***Sign up to be notified for our next formal Trapper Education Program.***
- ***Have a question about trapping? Ask at the front desk. If they can't answer your question they can point you to someone who can!!! Many of those attending have been trapping for years and are ready and willing to help.***
- ***Sell some fur (no carcass animals except ermine) or visit our supplier to get needed equipment. Barnes Hide and Fur will be buying stretched and dried and green fur and selling supplies. Call ahead to let him know how much fur you will be bringing and also what you need in supplies, so he can be sure to bring what you need. Trevor (269) 967-4475 or Nicole (269) 967-4293. Trevor Barnes can't attend so Rich and MaryAnn Clark will be manning his booth and buying fur for him.***

*Thanks to everyone who donated time or items to make this workshop a success. You are making a lot of kids SMILE!*
